To whom it may concern,

Astronomy Curriculum Area

Faculty of Sciences

Universidad Nacional de Colombia – Bogotá Campus

I, Alina Catalina Donea, senior lecturer at Monash University, academic in the School of Mathematics, hereby express my willingness and interest in serving as co-supervisor for the Master's thesis to be developed by the student Daniel Alberto Rodríguez Torres, identified with ID number 1000575671, who is enrolled in the Master's Program in Sciences – Astronomy.

I am familiar with the objectives of the project and commit to providing academic guidance and support throughout its development.

Sincerely,

Dr. Alina Catalina Donea
